Team Camp FAQ's

How is registration completed?

All registration for the UIndy Team Camp is completed by players online. Once a team has confirmed their attendance in a session, we will provide the registration link for players. UIndy staff will update coaches on registrants as the camp approaches. The only thing coaches need to do is pass along the link.

How is payment collected?

Players will pay online when they register. If your team's booster club or school will be paying for any individuals, we will provide a code to use that will allow for payment by check. We ask that all campers are registered by July 1, 2018.

What about rooms and meals for coaches?

Coaches will be asked to complete the registration process if their team is staying on campus to ensure room assignments.

Two coaches from each residential team are provided free room and board for the duration of camp. Two coaches of commuter teams will be provided lunch and dinner.

Is there a limit to the number of teams in each session?

To provide teams a great experience, we will limit the number of accepted teams in each session to eight.

What do my players need to bring?

All details for what campers should bring, the camps staff, and any other logistical items will be passed along after registration for the camp ends.
