RE: **Mileage Rate Reimbursement**

Mileage may be reimbursed at a rate established annually by the Board (Policy 6550).

Our current rate of reimbursement is \$0.54 (fifty-four cents) per mile. The federal rate of reimbursement as of January 1, 2018 is 54.5 (fifty four point five cents) per mile. This is up one cent from last year. Our goal has been to provide a mileage rate reimbursement equal to that of the federal rate.

This year, the federal rate was increased from 53.5 to 54.5 cents per mile. It is recommended that we establish a rate of \$0.54 ½ (fifty-four and one-half cents) per mile reimbursement.
