RE: Administrative Contracts

Last year, administrative contracts for administrators were extended, or rolled over through next school year – 2019-2020. It is recommended that all administrative contracts be extended an additional year – through 2020-2021. Our two newest administrators were automatically given a two-year contract. (Kikta and Dicken). I feel that our administrators are dedicated, hardworking individuals that devote many hours in providing services to our students, staff, and community.

In addition, after discussions with the Personnel Advisory Committee and shared with you, it is recommended salary increases for administrators for 2019-2020 be approved. This results in a 6.9% line item increase.
