RE: John Hines Route Proposal

Dear Mr. Emsweller and Tipton School Board:

I am writing this to propose that TCSC add a bus route to shuttle students to and from John Hine's Career Center in Elwood. It has been requested that Tipton Community Schools provide transportation for John Hines Students. Students would be able to have more access to the Career Center if they could get there.

Monday through Friday on days that school is in session, students would ride their normal bus to school. The students would leave from Tipton to arrive at John Hine's Career Center no later than 8:30 A.M.

Those students will need to be picked up and brought back to school at 10:20 A.M.

The second round of students would be transported to John Hines at 12:45 P.M. and Leave to return back to Tipton Community Schools at 2:45 P.M. to get back to Tipton Community Schools by 3:15 P.M. This route could be driven by a current driver after their A.M. route is finished and before the P.M. Route starts.

This route would be paid based on 2 hours \$85 per day

Morning

Depart TCSC at 8:00 A.M. Arrive at Elwood no later than 8:30

Depart John Hines 10:20 A.M.

Afternoon

Depart TCSC at 12:15 to arrive at John Hines at 12:45.

Depart John Hines at 2:45.

This could be covered by one driver or a combination of two or more drivers?

Thanks for your consideration in this matter

C. Scott Wessel

Director of Operations
