Re: Robin Driving again

Dear Mr. Emsweller and Tipton School Board:

Robin Parr has come to me with a Doctor's release to drive again. She was brought on fulltime 7/1/2013 Full time corp driver with lead driver duties paid at \$21.69 per John Junco..

She received raises over the course of six years. Which made her be paid at \$24.79 per hour. Robin is requesting to go back to the lead driver position. She has driven multiple routes over the course of six years. She has done day trips, special needs routes, and helped Kelly Collis with time conflicts. It would be beneficial to be able to use Robin in case of an emergency, Too. Robin's job description and pay were adjusted because she could not drive. It was stated that she could resume her driving responsibilities when she was released.

Thanks for your consideration in this matter,

C. Scott Wessel
