

Technology Board Update
February 11, 2020
Steven Gingerich

- Preparing for transition away from Five-Star Technology at the end of February
- Projector installation for Middle School is underway including updates to electrical wiring and network cable to ensure that all wiring is code-compliant.
- Network upgrades have been completed in order to facilitate better utilization of TCSC's guest WiFi network.
- Investigating potential upgrades to Teacher-assigned laptops.
- Receiving quotes for 2020-2021 6th and 9th grade laptops, in addition to quotes for other needed materials (Bags, cases, etc.)
