**Re: Mowing contractor**

I would like to recommend Unique Lawn Care be selected as our private contractor for the mowing of the Tipton Community Schools Property. While Mr. Mike Terry was the only proposal we received, he was fair on his bid and knows the property quite well. He bid \$250 on Tract one- \$260 on Tract two-\$175 on Tract 3- \$175 Tract 4-\$160 Tract 5- \$105 Tract six- \$75 as needed. That adds up to \$950 for tracts 1-5. This is actually \$45 dollars lower than last year. The sports fields were bid at: Baseball-\$85 Softball-\$65 Football-\$95 Soccer-\$85. These prices are \$20 higher than what each field cost to mow last year. Mike and his crew are dependable and do a nice job. It is without hesitation that I recommend Unique Lawn Care to take care of the facility for the 2020-2021 school year.

Thanks for your consideration in this matter
