

## Technology Board Update

April 14, 2020

Steven Gingerich

- High School projector installation quotes approved and installation will be scheduled as soon as possible, depending on contractor staffing, materials, etc due to COVID-19.
- Continuing to support Remote/E-Learning. Successfully implemented IT Ticketing system and dedicated IT communication channels to help facilitate better internal collaboration.
- Teacher Laptop upgrade quotes approved and being processed.
- Student Laptops for 2020-2021 quotes have been processed and order placed.
  - Other materials:
    - Laptop bags ordered
    - Receiving samples of cases to test.
- Preparing plan for end of school-year device pull-in and inventory, while still ensuring student and staff safety in regards to COVID-19.
