Grants (High Ability, Title II, Title IV, Formative Assessment)

I am continuing to view presentations on the new INtelligrants process that will be used for Title I, II, III, and IV for the 2020-21 school year in order to be ready when the new process becomes active. I have completed and submitted the new Title IV Innovation Grant to see if we can receive money to help us restart our alternative school for grades 6 through 12. I have been and continue to watch webinars on the CARES act so as to be informed on this grant process.

Meal deliveries have continued with us delivering to students' homes. This delivery is going very well and has become very well organized. I provide Adam Proulx and the kitchen staff with meal updates and provide the bus drivers with updated lists on each delivery day. We are currently delivering approximately 360 meals. We continue to deliver on eLearning days along with meal items provided by the boys and girls club. We also continue to deliver backpack blessings on Fridays.
