Homeland Grant Progress-

Program report for Homeland Security Grant Completed on 5/26. The report was submitted on 5/28. The financial report is due June 12. According to the project director. As long as we meet the match, we can still ask for the allotted amount of \$58,000

Gas Leak first response, Cleanup efforts continue:

Sat. 5/24 evening call to come to the school. Diesel fuel has spilled to the ground from tanks that are buried in the ground. Chuck Bell of Emergency management was on scene and advised us to put baffles and oil dry on the area. Dan, Eric and I were on the scene. We did as instructed by Fire and EMS. Sunday, Chuck Bell called me at 10:30 and stated that the ground must be dug up to get the saturated fuel out. We did that. Mark, Dan, Eric and I were at the school until 4:30 P.M. Chuck advised that the fuel that was leaking from the school tanks had reached the creek. Dan called Alan Perry of 3 pro Environmental services and arranged to clean up. Dan and Alan were at the school on Monday, 5/25/2020 until 2:00 in the Morning.

Stump Removal-

I received a quote for Stump removal at the Elementary. \$150 for two stumps.

Baseball/Softball roofs will be finished

Gray roofing should complete the roofs in the athletic department. As of Thursday 5/28, the shed at the softball field, the softball concession stand, and Soccer concession stand were completed. Still needed to be finished was the baseball concession stand.

Tree Removed from Courtyard-

Mark ,Talon and Eric removed the big pine tree from the courtyard. Dropped and cleaned in about 40 minutes. The tree was up against the building and was becoming a danger to the building.

Price raised on Trash removal services-

According to Lisa Adams from Republic Service, the rates have gone up. She said our contract ended last month. In light of this,I asked to get a quote for three days a week of trash removal. This would save a significant amount of money. We could convert back to five day pick up when we resume school on a normal basis.
