

Technology Board Update

August 11, 2020

Steven Gingerich

- iPads for grades 2-4 delivered, configured, and assigned to their respective students.
 - Cases installed.
 - iPad carts/cabinets assembled and distributed for K-1 classrooms.
- Preparing for distribution of student devices. Virtual and White-Team Student devices will be (were) available beginning August 10th. Blue-Team Students will be receiving their devices during their first classes on August 12th.
- Began distribution of new Teacher MacBooks and initiating account/device migration.
- Apple TVs installed in all TMS and THS Classrooms with new Projectors. Coordinating with Teachers and Staff to complete final A/V configurations.
