Specials: Specials will be on a 4 or 5 day rotation, depending on the number of classes per grade. Library and Computers will work together to service both specials during the same time in the grades that have 4 classrooms. PE, Music, and Art will be held every 4 or 5 day rotation. PE will be in the gym. The special area teachers are working on a schedule to try to have one other special per grade go to the special area classrooms per grade. ie: When art is doing clay with 3rd grade, the 3rd grade would go to the art room. That would be our only class in the art room for that day. We are limiting hallway traffic. Special Area teachers are attempting to go outside during their instruction as much as possible.

Special Area teachers and Virtual teachers will have daily duties from 7:40-8:15 and 2:40-3:10.
