

Academic Goals
2020-2021
Began 2018-2019 School Year

Goal #1a: For each of the next three years, students will achieve measurable continuous improvement in total ILEARN scores in **Writing: Genres, Writing Process, Research process** of at least 3 percentage points increase over the previous year in grades 3, 4, and 5.

Goal #1b: For each of the next three years, students will achieve measurable continuous improvement in total ILEARN scores in **Math Process** of at least 3 percentage points increase over the previous year in grades 3, 4, and 5.

Goal 1c: For each of the next three years, identified at risk free/reduced and special education students will achieve measurable continuous improvement in total (LEARN scores in ELA and Math of at least 3 percentage points increase over the previous year in grades 3, 4, and 5.)

Curriculum Mapping
2020-2021
Began 2018-2019 School Year

Goal #2: Making Sense of the Indiana State Standards, Unpacking and Translating the Standards, Curriculum Alignment, Laying the Foundation for Curriculum Mapping, The Curriculum Mapping goal will be met by mapping ELA in 2019-2020 and **Math in 2020-2021**.

Professional Development
2020-2021
Began 2018-2019 School Year

Goal #3a: All teachers are trained in the **best practices** shown by research to improve skills specifically aligned to Academic Goal #1 Writing: Genres, Writing Process, Research process and Math Process. Teachers are also trained in **engaging** students in active learning.

Goal #3b: All teachers will **map curriculums** using a process of collecting and recording curriculum related data that identifies core skills and content taught, processes employed, and assessments used for ELA and Math. The completed curriculum map then will become a tool that helps teachers keep track of what has been taught and plan what will be taught.
