Re: Proposal for Bus Replacement

Date: 1/12/21

I am recommending the purchase of 4 new 72 passenger buses to replace Bus 44 a 2007 with 78,000 miles, Bus 45 a 2008 with 58,000 miles, Bus 47 a 2009 with 55,000 miles and Bus 48 a 2009 with 54,000. We will also trade-in Bus 60 with 188,000 miles. I propose trading in these buses and not keeping them for spares. Each new bus will have a 3 year bumper to bumper warranty saving the corporation repair and maintenance costs of \$21,000 over three years. With the purchase of these buses all TCSC buses used daily will be equipped with seat belts.

I am recommending the purchase of one new activity bus to replace Bus A-2 a 2001 with 90,000 miles. This bus is used regularly to transport SPED preschool students to Kokomo as well as after school activities.
