

## **Kitchen Update March 2nd 2021**

### **Equipment**

- Dan is working with various staff and vendors to plan a fix regarding the upheaving floor in the MS freezer and various other issues

### **Staffing**

- We continue to battle staffing issues but are managing at this time and we could use some advertising from WillSub in newspapers and other areas of outreach.
- We hope to promote one of our subs to fulltime this coming month.

### **Meals**

- We are in high hopes to see and feed some of our students return with the 5-day schedule change as well as the eLearning requirement changes.
