Re: Fertilization and Spraying Bids

We received one bid for the spraying of the Tipton Community Schools property. This bid was from List Lawn Care Inc. Tom List knows this property and has sprayed for Tipton Community Schools in the past. His prices have gone up just a little bit. He has bid Tract one-\$433, Tract 2-\$984, Tract-3 \$763 Tract-4-\$1178 Grub Control at \$1595. This is a total of \$3358 Spraying fence lines gravel under bleachers done two times a year: Tract one-\$173 Tract two-\$185, Tract three-289, Tract four-\$185. This is a total of \$832. There would be a minimum of 4 sprays per year. This is an increase of \$98 for fertilization. The charge for spraying the fence line has gone up \$34. Tom does a good job. He knows the property and will continue to do a good job. Thanks for your consideration in this matter,
