#### 2431B - **ATHLETIC ELIGIBILITY**

The following rules shall apply for determining the eligibility of a student to participate in interscholastic athletics:

- A. A student must pass five (5) or more subjects in a given marking period to be eligible for any team competition for the succeeding marking period. Eligibility for fall sports will be determined by the final cumulative grade of subjects taken the preceding year and summer school.
- B. A student who has not accounted for all equipment issued to him/her in connection with any sport is barred from further competition.

A student's eligibility will become effective on the date set with I.H.S.A.A. following the issuance of report cards.

A student otherwise eligible to participate in any regularly scheduled athletic contest must:

- A. attend school for a part of the day of the contest (exceptions must be approved by the principal);
- B. be examined by a physician each year and found physically fit. The signature of the physician must be on the I.H.S.A.A. physician statement.
