RE:Administrator Contracts

In December 2019, administrative contracts for administrators were extended, or rolled over through next school year – 2020-2021. It is recommended that all administrative contracts be extended an additional year – through 2021-2022 with the exception of Mr. Leach. Since Mr. Leach is transferring to the high school assistant principal position he will receive a two year contract. Three administrators are recommended for bumps in salary due to changes in responsibilities of their position. The remaining administrators' salaries will be adjusted after approval of the new collective bargaining agreement. I feel that our administrators are dedicated, hardworking individuals that devote many hours in providing services to our students, staff, and community.
