**Group taking trip:** THS Young Originals

**Location of trip:** Memphis, TN

**Purpose of trip:** We will be performing at Elvis Presley's Memphis! This is a large collection of museums and exhibits located directly across the street from Graceland so it attracts a lot of tourists and visitors.

We will also be touring several rock and roll and blues museums, Sun Studios, Graceland, and the National Civil Rights Museum! We will also take a Riverboat cruise down the Mississippi River complete with live entertainment! During non-performing time, students will get to have fun touring the city of Memphis and learning more about its musical culture and significance in music history!
