Subject: Social Studies Book Adoption - Resubmission

The Social Studies teachers of Tipton Middle School have been researching available resources to use in their instruction of the sixth, seventh, and eighth grade classes. Teachers were able to attend a book adoption caravan virtually in January. Through this and many conversations, the committee have decided on pursuing the online system with print support from National Geographic for all three grades. Fees will be adjusted to reflect the cost of the new materials. The 6th and 7th grade rental will change to \$21.67 and 8th grade rental will be \$24.15.

The Social Studies teachers and volunteer parents met to discuss the resources viewed and the chosen resource. Parents were able to ask their questions on the adoption process and what the new material would entail. Parents received online access to the material as well as printed demo copies of each resource reviewed. Parent members of the committee included Mr. TJ Butler, Mrs. Christian Rockwell, and Mrs. Kiley McQuinn. Mr. Chad Wetz, Mr. Jason Bales, and Mrs. Lindsey Cole joined the committee as Social Studies teachers. Mrs. Kikta and Mr. Leach represented the administration.
