Hello!

I don't know if there is a form for this or what format is best but the FFA has a couple upcoming overnight field trips that we need school board approval for.

FFA Members would attend an overnight FFA Conference at the Indiana FFA Leadership Center in Trafalgar, IN. Advisors Stacey Hartley or Jessica Mars would drive the students in an activity bus on Friday evening, stay during the duration of the conference and then drive the students home on Sunday morning. Members will attend October 8-10. Members can also apply to be counselors (sophomores-seniors) and could apply for any weekend (Oct 1-3, 8-10, or 15-17) but they would have to provide their own transportation.

We currently do not have any members signed up to be counselors but just wanted to make sure it was approved if they are interested.

Seeking Opportunities and Achieving Results (SOAR)

This is a conference for students who are beginning their FFA careers (9-10 grade, middle school if they are mature enough) SOAR Curriculum is on a three year rotation: FFA Focus (Opportunities in FFA, CDE's, Defining Success, etc.), SAE Focus (developing strong SAE's, Work ethic, Goal Setting, etc.), and Ag Industry Focus (Opportunities in the agriculture industry, Personal Vision, Beliefs and Values, etc.) SOAR is a 3 day conference held on three separate weekends in October.

Thank you!

Jessica Mars
