

Technology Board Update

October 12, 2021

Steven Gingerich

- Resignation of Logan Tina from THS Tech, transferring to THS Art Teacher.
 - Began receiving applications and vetting candidates for THS Technology Support Technician.
- Assessing and modifying internal repair and support procedures for better uniformity between buildings to help increase overall efficiency. This primarily includes processes for:
 - Distributing software, settings, etc, via MDM
 - Billing of repairs
 - Device Inventory and Loaner device management
- Installation of updated licensing for Elementary security cameras. New licenses will be sufficient until 2022.
 - THS and TMS licenses not due to expire until early 2024.
