Subject: Corporation Treasurer Pay

The TCSC treasurer, Amy Phillips current salary is \$58,661. After checking with area superintendents Tri-Central pays \$52,000; Western \$69,000; Eastern \$71,000; Maconaquah \$68,000; and Northwestern \$81,000. All the districts except for TCSC and Tri-Central (we have two) have three to four full time financial personnel. In order to remain competitive, I recommend an increase of \$10,000 making Amy's salary \$68,661 effective January 1, 2022. Amy is doing a wonderful job as treasurer and I want to make sure we keep her at TCSC.
