To whom it may concern:

I am writing to inform you that I will be leaving my position as speech language pathologist at Tipton Community School Corporation. Although I have loved working for the district more than I can express, an unexpected opportunity necessitates that I vacate my position.

My final day of availability will be January 28, 2022.. Despite having to leave, I cannot put into words how much I appreciate the opportunities and relationships you've provided me during my time as speech language pathologist. I am beyond grateful for all of your assistance along the way. It breaks my heart to leave TES, but I need to take this opportunity for myself. I will do what I can to ensure a smooth transition after I move on. Please do not hesitate to get in touch about what I can do to help.

Once again, thank you so much for the opportunity to be a part of TES. My time in this position has meant the absolute world to me. I genuinely look forward to working with you again in the future should the opportunity present itself. I plan to continue to be a part of TCSC by remaining the 7th/8th grade girl's basketball coach. Many thanks for your understanding of this incredibly difficult decision.

Sincerely,
Autumn Ringeisen

Subject: next semester study tables

To: Shayne Clark <sclark@tcsc.k12.in.us>, Laurie Crawford <lcrawford@tcsc.k12.in.us>

Good Morning,

I will not be available to drive study tables for the second semester. Randy Carlisle expressed his interest in taking over for me as his availability the next semester will be greater than what mine will be. I will prep him in the current route and students with the understanding next semester will in all likelihood bring new students to the program. I know he'll be a reliable replacement and the kids will enjoy him as a driver!

Merry Christmas and Happy New Year!!

~Beth Mitchell

To: Tipton County School Board, Lori Rayl, and Staff

It greatly saddens me to send you this letter of resignation. Effective the end of the year, 2021, I will no longer be working as a teacher's aide at Tipton Elementary.

Recent multiple illnesses have made me unable to help my students effectively and I do not want them to be impacted by my condition.

I want to thank you personally, all my colleagues and friends, for the time spent at Tipton Elementary. Working at TES has brought me joy and positive emotions. The experience gained while working is invaluable, and I am grateful I had the opportunity to work at Tipton Elementary.

Thank you again for all your help and support. I will miss working with you all.

Sincerely,

A handwritten signature in cursive script that reads "Sarah E. Allison". The signature is written in dark ink and is positioned above the printed name.

I would like to recommend Randall Carlisle for the study table bus route to replace Beth Mitchell starting Tuesday, January 4.

To Whom It May Concern,

I am writing this letter to recommend that Autumn Ringeisen and Lela Crawford be the two coaches for our girls 8th grade team for Tipton Middle School. They will share this responsibility and it is my wish that the stipend be split evenly between the two. Ms. Ringeisen will also be the official 7th grade girls Basketball coach, while Ms. Crawford will also be the official 6th grade girls Basketball coach.

This recommendation replaces the previous coach from the 2020-2021 school year.
