

Kitchen Update Jan 4th 2022

Equipment

- We believe we have a fix in-the-works for our MS stand-mixer from Hobart
- We are working toward the upcoming renovations in the HS kitchen and are excited for the new options
- It looks as though we have plans in place for this summer to replace the Cooler/Freezer in MS that has been problematic this year.

Staffing

- We are in need of a student worker in the HS dish room, but are having an extremely difficult time in finding one.
- We have a full-time position in the MS/ES kitchen still needing filled but are having trouble sourcing one.
- We have no substitute employees at this time and are still searching

Service

- Breakfast numbers have continued to hold strong and we hope to see a large increase in ES with new service procedures and programs being implemented
- Lunch numbers remain steady
