Instructions to Contractors:

1. The Tipton Community School Corporation, acting by and through its Board of School Trustees, will receive at the office of its Superintendent, 1051 South Main Street, Tipton, Indiana, until 1:00 pm., January 31, 2022, sealed quotations to provide mowing and trimming of the identified school property. All proposals received after that time will be returned unopened.
2. Contract Period – It is the intent of this corporation to award the mowing and trimming contract for a two year period, with rates guaranteed for the Two-year period February 2021 through Dec. 31, 2023.
3. The mowing and trimming contract shall be subject to a thirty-day (30) cancellation clause by either party if the school corporation is not satisfied with the performance of the mowing contractor.
4. The responsibility for the school corporation is to provide reasonable access to the sites. The Director of Facilities shall be responsible for coordinating the mowing program with the contractor.
5. The responsibilities for the mowing contractor will be to safely mow and trim the school grounds on **as-needed basis** determined by the Director of Facilities, Eric Johnson. Every effort must be made to avoid using mowing and trimming equipment when children are present. There will be no mowing during recess times, outdoor physical education classes, during athletic team practices, or any other time when children are present. There will be no mowing near buildings during regularly scheduled school days.
6. The contractor is responsible for obtaining and maintaining all applicable licenses and permits. Copies of these documents are to be filed at the Office of the Superintendent.
7. A certificate of insurance must be filed in the Office of the Superintendent verifying a general liability policy is being carried by the mowing contractor with liability limits of one million dollars. The insurance company shall carry a minimum rating of "A-,VII" as designated by the A.M. Best. Tipton Community School Corporation is required to be added as an additional insured to your general liability policy and indicated on the certificate of insurance. This certificate must be provided by the contractor's insurance agent and be on file prior to any work being initiated.

Auto liability for all vehicles utilized for services at a minimum of one million dollars is required and needs to be shown on the certificate of insurance unless a personal auto policy is utilized for an individual and in that case a copy of the declarations page will suffice.

*\* As an alternative to the one million dollar general liability policy, the contractor may carry a general liability policy with a one million dollar umbrella.*

#### 8. Worker's Compensation

- a. A contractor who is incorporated must provide a worker compensation insurance policy even if that person is the sole stockholder and the sole employee. The insurance policy must be on file prior to any work being initiated.
- b. It is preferred that a self-employed mowing contractor carry workers compensation coverage for him or herself, but if a self-employed contractor does not, then he/she must file with the State of Indiana the State Form 45899, titled "Independent Contractor Affidavit of Exemption". A state approved copy of this form must be filed in the Office of the Superintendent prior to any work being initiated.
- c. The selected contractor must provide a signed letter of Affidavit of Compliance enclosed in this packet. In addition, the contractor must provide documentation verifying enrollment and participation in the E-Verify program as required by Indiana Code 12-5-1.7. (Failure to provide will void this contract immediately).

9. Quotations are to be based on mowing and trimming per tract per time mowed (cost for one mowing). There are six different property tracts to be mowed and trimmed. Tipton Community School Corporation will mow parts of tracts 1-2 (competition fields: baseball, softball, soccer, and cross county) the mowing contractor will be responsible for all grass areas outside the aforementioned competition fields, there must be a quotation for each of the six tracts. The bid for each tract should include the totals cost for mowing that tract, including all equipment and labor costs.
10. In addition to mowing and trimming contract amounts, the potential contractor is to submit a quotation for additional landscape related work including a rate of cost of materials and per hour wage. Examples of additional work include trimming around buildings, edging sidewalks, trimming shrubs, supplying/delivering/installing mulch. The additional landscaping work will be coordinated with the Director of Facilities, Eric Johnson, or his designee.

11. A description of the mowing and trimming equipment must be included in the contractor's quotation. Particular details should be listed as to the make, size, and age of the mowing equipment. Mowing decks should not exceed 60" on mowers used around buildings. For large open areas (e.g. practice soccer fields in tract 1) a larger mowing deck may be used with approval by the school corporation.
12. The contractor will provide a list of three references that can speak to the quality of work related to mowing/trimming.
13. Quotations for the mowing and trimming contract must be completed, signed and submitted on the "Mowing and Trimming Form" furnished with the specification.
14. The School Corporation will make payment on a monthly basis provided the contractor submits all required paperwork by the twenty-fifth (25) of each month. The School Board will approve payment at the regular scheduled monthly meeting. The contractor should submit the following: Statement providing dates of mowing; number of employees mowing and trimming on each date. Additional shrub, tree trimming or mulch placement must be requested by the Director of Facilities, Eric Johnson and submitted on a separate statement with the number of workers involved, hours worked and the amount of mulch utilized.
15. A tour of the area to be mowed and trimmed can be scheduled by calling 765-675-2147 and asking for the Director of Facilities, Eric Johnson.
16. The Board of School Trustees of Tipton Community School Corporation reserves the right to accept or reject any or all quotations or proposals, or part of such quotations or proposals, to waive information or irregularities in quotations or proposals, received and to accept the lowest most responsible and responsive bid, not necessarily the low bid.

***\*\*Note these tracks do not include the competition fields.***

## SCHEDULE OF PARTIAL CUTS

NOTE: all areas should be cut and trimmed, sidewalks and roadways swept and blown clean, islands in parking areas kept mowed and trimmed, and sidewalks cleared of plants growing in cracks. Mowing of an area shall include both sides of any and all fences, except as noted.
