RE: **Request Permission for Livestock Judging Trip**

Mrs. Hartley, THS Ag Teacher, is requesting permission to take members of the THS FFA Livestock Judging Team members to Lake Land College in Mattoon, Illinois.

Students will be leaving on March 19 and returning March 19.

The trip will require a minibus to transport the high school judging team members. FFA will cover the cost of the registration fees. By attending this contest, the FFA members will gain judging experience, as well as network with other livestock judging participants creating connections for their college experiences and potential scholarship opportunities.

I support Mrs. Hartley's request and would ask that permission be given for her to take this trip.
