Re: Fertilization and Spraying Bids

We received one bid for the spraying of the Tipton Community Schools property. This bid was from List Lawn Care Inc. Tom List knows this property and has sprayed for Tipton Community Schools in the past. His prices have gone up just a little bit. He has bid Tract one-\$433 to **\$476**, Tract 2-\$984 to **\$1,227**, Tract-3 \$763 to **\$839**, Tract-4-\$1178 to **\$1,296** Grub Control at **\$1595 to \$1260**. This is a total of \$3358 to **\$3,838**.

Spraying fence lines gravel under bleachers done two times a year: Tract one-\$173 to **\$190** Tract two-\$185 to **\$204**, Tract three-289 to **\$318**, Tract four-\$185 to **\$204**. This is a total of \$832 to **\$916**. There would be a minimum of 4 sprays per year.

We have an increase of \$480 for fertilization and \$80 for spraying the fence line. Tom does a good job. He knows the property and will continue to do a good job. Thanks for your consideration in this matter,
