6230 - **BUDGET HEARING**

The annual budget adopted by the School Board represents the Board's position on the allocation of resources required to operate an appropriate system of education. All reasonable means shall be employed by the Board to present and explain that position to all interested parties. The public budget hearings will be conducted in accordance with law.

Each member of the Board and each School Corporation administrator shall be sufficiently acquainted with the budget and its underlying purposes to answer questions from members of the public.

At the public hearing to adopt the budget, the Corporation shall acknowledge whether the anticipated transfer amount from the Education Fund to the Operations Fund during the next calendar year will be more than fifteen percent (15%) of the total revenue deposited in the Education Fund.

Also, at the public hearing, the Corporation shall annually specify the Corporation's revenue spending plan associated with a referendum tax levy. The spending plan includes: 1) an estimate of the amount of annual revenue expected to be collected; 2) the specific purposes for which the revenue collected will be used and 3) an estimate of the annual dollar amounts that will be expended for each purpose.

The budget approved by this Board will be made available to the public in the form and at the places required by law.

The final adoption of the proposed annual budget shall be made by the Board after completion of the public hearing.
