#### **[END OF OPTIONS]**

#### Assessment

The Corporation strongly recommends that the parents maintain a record of the educational program in a home school or non-accredited school, including assessment of their child's academic progress, as this information will be useful to a school corporation should the parents decide to re-enroll their child in a public school on a full-time basis. Such an assessment could include:

- A. ( x ) resources and books used in the course;
- B. ( x ) courses of study completed;
- C. ( x ) the number of hours devoted to each course of study;
- D. ( x ) a portfolio of work done;
- E. ( x ) examples of tests and test scores;
- F. ( x ) standardized test scores demonstrating the student's ability/achievement.

[OPTIONAL - NOTE - State law does not require ~~ISTEP+~~, participation in the State-mandated assessment program, or any other testing, for students in home schools. In fact, home schooled students may not take ~~ISTEP+~~ the State-mandated assessment unless they also are enrolled in a public school for at least one (1) period per day.]

[ x] ~~ISTEP+~~ State-Mandated Assessment Program

A home schooled student who is enrolled in one or more classes in the Corporation's schools may take ~~ISTEP+~~ the State-mandated assessment if the parent elects to have the student participate.

[END OF OPTION]

#### Re-Enrollment in School

If a parent/guardian wishes to have ~~his/her~~ their child return to a Corporation school on a full-time basis, the parent/guardian must follow normal enrollment procedures described in AG 5463 - Admission of Students from Nonaccredited Schools. Also, placement in grades 1 through 8 and the awarding of credits in grades 9 through 12 will be governed by Policy 5463 - Credits and Placement from Nonaccredited Schools.

A parent/guardian is encouraged to present their student in advance of the proposed enrollment date in order for the placement process to be properly applied and avoid the necessity of a temporary placement.
