Mission Statement

Working Together for Student Success

Vision Statement

Growing empowered, future-ready students prepared for a lifetime of opportunity and success.

Non-Discrimination (See Policy A100)

The Tipton Community School Corporation ("Corporation") does not discriminate or tolerate harassment on the basis of a protected class including but not limited to race, color, national origin, sex, gender, age, religion, genetic information or disability in the programs or activities which it operates or the employment therein or admission thereto. This commitment applies to all operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school grounds immediately before, during, or immediately after school hours; in any school program or activity taking place in school facilities, on school transportation, or at other off-campus locations, such as at Corporation-sponsored field trips or a training program; or using property or equipment

provided by the Corporation, including Corporation-owned computers and the Corporation's computer network. A formal complaint may be made in writing to the School Corporation's Compliance Officer - Scott Jaworski, Assistant Superintendent.

Student Rights and Responsibilities

The rules and procedures of the School are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights will be protected and that they will be treated with fairness and respect. Likewise, students will be expected to respect the rights of their fellow students and the staff. Students will be expected to follow staff member's directions and obey all school rules. Disciplinary procedures are designed to ensure due process (notice and a fair hearing) before a student is disciplined because of his/her behavior.

Parents have the right to know how their child is succeeding in school and will be provided information on a regular basis and as needed, when concerns arise. Many times it will be the responsibility of the student to deliver that information. If necessary, the U.S. Mail or hand delivery may be used to ensure contact. Parents are encouraged to establish constructive communication channels with their child's teachers and support staff and to inform the staff of suggestions or concerns that may help their child better accomplish his/her educational goals

SECTION I - GENERAL INFORMATION & PROCEDURES

School Day

Monday-Friday - 7:40 a.m. to 3:00 p.m.

Students who arrive at school after 8:10 a.m. will be counted as tardy.

Drop Off Procedures

Morning drop off: Students may begin entering the building at 7:40 am. Pull up all the way to the front spot or to the vehicle directly in front of your vehicle. After your child has exited the car, pull away. Do not stop in front of the entrance if there is a line of cars. **Please have children exit cars on the passenger side.**

Pick Up Procedures

Afternoon school dismissal pick up: **The pick up line starts at 2:45.** Pull all the way up to the front spot or to the vehicle directly in front of your vehicle. Stay with your car. Follow the directions of school personnel directing traffic. **Children should only enter cars from the passenger side.**

After School Arrangement

All students have a normal procedure that they follow at dismissal time. Any time that procedure must be changed, the classroom teacher is to receive a written statement from the parent explaining what the child is doing. In the absence of information from the parent, our usual procedure is to

have the child go the way he/she normally goes. The responsibility for making any change rests with the parent. The safety of your child is at stake. **The school should be notified through a phone call by NOON of any changes to the student's dismissal plans. Please do not rely on last minute phone messages or email.**

Recess

All students receive recess each day. Generally speaking, this is outdoor activity. Precipitation, wind chill, and/or temperatures below 15 degrees are about the only reason we have for staying inside. Parents must assume responsibility for being certain that their children are dressed appropriately so that they can enjoy their recess time. This includes hats, boots, and gloves in the winter or layers in the spring and fall. On days when we cannot go outside, the students remain in their classrooms for recess. Classroom games and quiet activities are supervised by the recess personnel on duty. Generally we take the position that if a child is well enough to attend school, he/she is well enough to go outside for recess. Due to health reasons, a child may stay inside for recess for three consecutive days on a parent's note. For a child to stay inside due to health reasons for more than three consecutive days, a doctor's note is required.

Student safety is our top priority. In order to maintain a safe atmosphere on the playground, all students must follow the rules, play fair, and be good sports at all times. If a student chooses not to follow the rules they will face the appropriate consequences. Consequences at TES include but are not limited to: talking to the recess aide or teacher, loss of recess time, recess and/or lunch detention, in school suspension, and out of school suspension. We are confident that all students can and will have a successful and fun time on the playground.

Recess procedures are for everyone's safety. Please make sure that your child knows and understands these procedures. Read to your child the following rules:

- When heading out to recess, students need to walk out to the playground in an orderly fashion.
- During recess, students must abide by the rules of the games they are playing.
- We expect all students to show P.R.I.D.E.:
 - Personal Best - take turns and include everyone
 - Respect - listen to and follow directions the first time
 - Integrity - play safely and fairly
 - Dependability - report problems to an adult
 - Enthusiasm - line up when you hear the whistle

School Communication

The school relies on ParentSquare to send emails to families that announce school events, send students' progress reports, report attendance concerns, or any number of other items. PowerSchool and ParentSquare both rely on the information that families provide in PowerSchool. Families have access to keep this information up to date, especially as a new school year begins. It is very important that families do this whenever there is a change of address, phone number, or email. If you have questions or need help with your PowerSchool account, please contact your child's school. Google Classroom (our learning management system) contains information about classroom activities and assignments.

School Closings

All parents will be notified of school closings, early dismissals, or delays through ParentSquare, the school messenger system. Families should also listen to local radio or television stations for delays and closings.

Non-custodial parents' rights

Non-custodial parents' rights will be respected regarding visiting school, parent-teacher conferences, progress reports, student records, etc. A court order must be witnessed before either parent's rights can be denied. Non-custodial parents wishing to receive copies of their child's report card, midterm, etc. will need to provide self-addressed, stamped envelopes to their child's teacher.

Visiting School/Volunteering/Eating at School

Parents are welcome to visit the school to observe their child's learning situation and/or volunteer in their child's classroom. **These visits must be scheduled with both the classroom teacher and approved by administration prior to the visit.** Parents and grandparents may also come and have lunch with their child. **The office must be notified at least 24 hours in advance.** For the safety of all students, a volunteer background check will need to be completed and passed prior to any visit. The day of the visit, all visitors/volunteers will be required to check in at the office and provide photo ID before proceeding to the classroom or cafeteria. No lunches from any fast food and/or restaurant are allowed; soft drinks are not permitted.

School Visitors

All visitors/parents/guardians entering any Tipton school during the school day (7:30am-4:00pm) will have their ID scanned through the Raptor system. Please note that students are not allowed to go to their classrooms until 7:50 a.m. each day. We ask that you find other means of supervision for your child prior to this time. We do not have staff available to monitor children that arrive early.

Your child's welfare is our main concern. Students being dropped off in the car rider line should remain in vehicles until 7:40 a.m. and staff will help supervise drop off.

Protocol for Entering Building

1. All parents and guests are to enter the building using the school's main entrance.
2. At the entrance there is a buzzer that is to be pushed.
3. Through the intercom, office personnel will ask, "How may I help you?" They may also require the visitor to present identification. Upon a response the visitor may be allowed to enter the building.
4. The visitor will hear a click and may then enter the building. Parents and guests are to report directly to the office personnel.
5. All visitors/parents/guardians entering any Tipton school during the school day (7:30am-4:00pm) will have their ID scanned through the Raptor system.
6. If the parent is picking their child up, they will be asked for identification and asked to sign the child out. Office staff will call for the student to come to the office to meet their parents.
7. When a parent needs to talk with a teacher during the school day, they should call the school in advance and make an appointment.
8. If the parent/guest needs to go to a location in the building, they will be given a visitor's badge and they will either:
 - a. Have the person they are meeting come down to the office and meet them, or
 - b. Be provided direction and their destination will be notified that they are on their way, or
 - c. Be provided an escort to their location.
9. All doors will be locked at 4:00 PM. No one is to be in the building without school personnel supervision and only for an organized activity.
10. Club sponsors are responsible for the entering/exiting of members in and out of the school building, and arrangements must be done the day prior.

Meal Service: School Breakfast/Lunch

1. The school cafeteria serves a nutritious, Type A breakfast/lunch following the guidelines set by the School Lunch Division of the Department of Education.
2. Parents wishing to apply for free or reduced-price breakfast/lunches may apply online through PowerSchool. If a family's financial situation changes, they should obtain another application.
3. Any checks or monies being turned in should be placed in a sealed envelope with the student's name, teacher's name, and amount on the outside. If any checks are returned from the bank marked "insufficient funds" the school will no longer accept checks from the payer.
4. **Make sure to check the account slips sent home via email periodically in order to keep your child's breakfast/lunch account current. A student with a**

negative balance will receive an alternate meal with milk until the balance is paid in full.

5. No lunches from any fast food and/or restaurant are allowed. Students may bring sack lunches from home; soft drinks are not permitted.

Field/Study Trips

Parents/visitors on study trips are required to follow School Board policy for drugs and alcohol. Because a parent on a field/study trip can be responsible for students other than their own, we ask that no siblings or school-aged friends accompany them on the trip. Adults attending a field trip **must** have a completed and approved volunteer background check in order to go.

Shared Food/Treats from Home

All food and treats brought into school from home to be shared with other students are to be store-bought and pre-packaged. We recommend speaking to the classroom teacher about any food allergies of students when planning to bring food/treats from home.

Deliveries

We do not allow deliveries to students. This includes balloons, flowers, and food from restaurants.

Student Sales

Students are not allowed to bring anything to school to sell to other students or staff members.

MEDICAL INFORMATION

Injury/Illness

All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures and attempt to make contact with the student's parents.

A student who becomes ill during the school day should request permission from the teacher to go to the clinic. The nurse/office staff will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental permission.

Immunizations

Indiana state law demands that the school have on file a written immunization statement indicating the month, day, and year that the student has received the required immunizations. The school cannot allow the student to attend school until the information is provided. For more information, please contact the school nurse.

It must be accompanied by a written and dated physician's prescription (or statement) or the pharmacy label provided by the parent. A written and dated consent statement from the child's parent, giving consent to administer, must accompany the medication. If the medication is to be terminated prior to the date on the prescription, written and dated consent or withdrawal of consent of the parent is required.

Over the counter medication must also be delivered to the office, labeled with the name of the student, the medication, and dosage. A written statement from the child's parent, giving consent

to administer, must accompany the medication. Under no circumstances should students take medication at school without the knowledge of school officials. Medications without the above permission statements will not be administered. Over-the-counter medications cannot be shared by students. In accordance with Indiana State Law Senate Bill 376, children in grades K-8 MAY NOT take any medication home from school. The parent must pick up the medication and take it home.

ENROLLMENT/WITHDRAWAL

Student Records and Directories

Educational records and student directories are governed by federal and state laws and regulations. Student information is confidential and may be disclosed only as provided by School Board policy #8330. A parent or eligible student may object to disclosure of any of the categories of directory information by submitting the proper form to the Principal no later than fourteen (14) calendar days from the enrollment date.

Transfer In/Out of the Corporation [\(See Policy C125\)](#)

If a student plans to transfer from Tipton Elementary School, the parent must fill out the request online and notify the Principal. School records shall be transferred within fourteen (14) days to the new school corporation. Parents are encouraged to contact the building secretaries at 765-675-7397 for specific details.

Withdrawing from School

If for any reason a student must withdraw from our school, they and their parents or guardian should report this fact to the office. All textbooks and school property must be turned in before withdrawing. Students are responsible for returning all textbooks and electronic devices given by the school to the student. If the school does not receive the student device within five business days after withdrawal, then theft charges will be filed with law enforcement.

Legal Settlement

If it is determined that the student's legal settlement is not in the attendance area of the school where the student is enrolled, the parent/guardian will be directed to complete the out-of-district transfer process.

FACILITIES

Use of School Facilities

School and community groups are allowed to make use of the facilities at the school. To ensure that the facilities are available and in proper condition, any use of school facilities must be scheduled in advance with an administrator. Groups must fill out a Facility Usage Form and receive approval

prior to scheduling. Students are not to be in any part of the school building outside of the regular school day without supervision by properly authorized adults.

Care of School Property

Students are responsible for maintaining proper care of all furniture, books, etc. supplied by the school. Students who vandalize school properties will be required to pay for the damage and face suspension or expulsion. The condition of each textbook will be checked and recorded before assigning the books to students. It becomes the responsibility of the student to maintain the condition of each text in his/her possession throughout the school year. At the end of the year, the books will be collected and checked for damages. Students found to have damaged books beyond normal wear and tear will be assessed a fine. It is the responsibility of the student to notify the issuing teacher if there is a drastic deterioration in the condition of the textbook. This is to be done immediately after the damage has taken place. Lost or damaged school property items not paid will be placed on the student's fee as part of their financial obligation for the next school year.

Money and Valuables

The school is not responsible for lost or stolen money or valuables from your person or locker, this includes book bags left unattended. However, if it is absolutely necessary that a student bring a large amount of money or other valuable items to school, such items may be left in the office for security and picked up when needed.

Student Desks/Storage Areas

All desks/storage areas made available for student use on the school premises are the property of the school corporation. These desks/storage areas are made available for student use for storing school supplies and personal items necessary for use at school. The desks/storage areas are not to be used to store items which may cause or can reasonably be foreseen to cause an interference with school purposes or an educational function, or which are forbidden by state law or school rules. A student may not expect to have privacy in a desk/storage area or its contents. The student's use of the desk/storage area does not diminish the school corporation's ownership or control of the desk/storage area. The school corporation retains the right to inspect the desk/storage area and its contents to ensure that the desk/storage area is being used in accordance with its intended purpose, to eliminate fires and other hazards, maintain sanitary conditions, attempt to locate lost or stolen materials, and to prevent the use of the desk/storage area to store prohibited or dangerous materials such as weapons, illegal drugs, paraphernalia, or alcohol.

Pest Control Policy

The School corporation is committed to providing students a safe environment. It seeks to prevent children from being exposed to pests and pesticides. While pesticides protect children from pests that may be found in the school and its surrounding grounds, under some control practices may

involve a variety of chemical and non-chemical methods that are designed to control pests effectively while minimizing potential pesticide exposure to children.

1. Annually inform parents and staff members of the corporation's pest control policy at the time of student registration by a separate memorandum or as provision in the student handbook.
2. Provide the name and phone number of the person to contact for information regarding pest control.
3. Establish a registry of parents and staff members who want to receive advance notice of planned pesticide use and provide such notice.
4. Provide notice of planned pesticide applications to parents and employees who have requested advance notice.
5. Provide notice of all pesticide applications to school nurses.
6. Maintain a written record for at least 90 days of any pesticide applications.

The corporation will provide notice at least two school days prior to the date and time the pesticide application is to occur. The notice will include the date and time of the pesticide application, the general area where the pesticide is to be applied and the telephone number to contact the school with more information.

SECTION II - ACADEMICS

Curriculum

Tipton Elementary Schools are responsible for teaching basic skills in reading, composition, listening, speaking, and computation that provide the foundation for all later learning. The basic curriculum is composed of a common body of knowledge with continuing emphasis placed on increased mastery of skills and achievement. The following subjects are presently taught in the elementary school:

Basic Curriculum:

- English Language Arts (reading, writing)
- Mathematics
- Science
- Social Studies
- Art
- Music
- Physical Education
- STEM/Computer Science
- Health

Health Curriculum

With the increased attention about health matters in our society, the school will continue to evaluate and expand instruction in matters of personal and public health. Students will receive instructions by teachers and community professionals (doctors, nurses, technicians) dealing with tobacco abuse, alcohol abuse, AIDS education, and sex education during their elementary schooling. If you have concerns about your children being exposed to these topics, you need to express that concern to school officials. This is a required state curriculum. Efforts will be made to keep parents informed of these health programs.

School Counseling/Guidance Program

An elementary counseling/guidance program has been established by the Tipton Community School Corporation. A full-time counselor is available to serve the needs of the students in the elementary school. Students may be referred to the counselor by the teacher, the principal, the parents, or the child himself/herself. Parents will be notified at such a point as the counselor deems necessary.

We are committed to supporting and encouraging the whole development of our students. While academic excellence is crucial, children also need skills to tackle learning challenges, make good decisions, manage strong emotions, and interact positively with others. To address these needs, we implement classroom guidance lessons using the Second Step® Elementary program. The program includes four units that focus on essential skills for both school and life:

- **Growth Mindset and Goal-Setting** - Students learn how to focus their attention, manage distractions, develop a growth mindset, and apply goal-setting strategies in their social and academic lives.
- **Emotional Management** - Students learn to identify and label their emotions and use strategies to manage their emotions, including stress management techniques for older students to calm strong feelings.
- **Empathy and Kindness** - Students learn to recognize and act kindly, develop empathy, take others' perspectives, and understand that kindness and empathy are key components of building and maintaining relationships.
- **Problem-Solving** - Students learn to identify and state a problem, determine if a problem is accidental, and use the STEP problem-solving process.
 - S: Say the problem
 - T: Think of solutions.
 - E: Explore the outcomes
 - P: Pick a solution.

Through the Second Step® Elementary program, students at Tipton Elementary will gain the skills needed to thrive both academically and socially. The program is designed to create a safe and supportive school community, fostering an environment where every child can succeed.

C-	73-70	S-	79-70
D+	69-68	U	69-0

Quarterly/Semester Grades

Grades will be issued to each student following the end of each nine-week grading period. These grades will be available on PowerSchool. Parents should know when to expect these grades and then discuss with the student the evaluation of his/her progress.

We encourage conferences between parents and teachers in order to discuss any problem which a student may be having. Lines of communication must be kept open so that both teachers and parents are aware of and understand all of the factors that may be related to the problem. Please do not hesitate to contact the school on any matter in which you have a concern.

Academic Honor Roll

Honor roll is awarded quarterly to students in Grades K-5 with A's (S+) and B's (S) in all subject areas. Citizenship will not be included in the academic honor roll.

Citizenship Awards

Citizenship awards will be separate from academic honor roll and awarded quarterly to students in Grades K-5 with A's (S+) in citizenship for behavior within their grade-level classroom. The special areas team will award two students per class a citizenship award at the end of the school year for their overall behavior in special areas. Citizenship grades and awards are based on our TES PRIDE expectations.

Bring Up Grades (B.U.G.) Awards

At the end of the 2nd, 3rd & 4th grading periods, students who have brought up one or more grades without dropping any other grades will be recognized. Citizenship grades are included in B.U.G.

Retention

Some children may benefit from the opportunity to continue in the same grade for another year. Because of this, we have developed criteria to assist in the decision. These decisions are based on data along with the teacher's knowledge of the student. Below assessments and information may be used in this decision:

Light Retention Scale	iReady Math & Reading Assessments
Grade-level Assessments	Attendance
ILEARN (Grades 3-5)	IREAD-3 (Grade 3)
Teacher Input	Reading Benchmark/Level
Age of Student	Social/Emotional Factors

If retention is a possibility, parents/guardians will be notified and will be asked to come to school for a conference with their child's teacher. After this meeting and/or additional meetings, the child's teacher and the child's parents will make a recommendation to the principal for a final decision on promotion or retention. It is our intention to have parents fully involved and informed regarding retention. We are hopeful that parents, the teacher, and the principal will be in agreement regarding this important decision. The Board will comply with the requirements of the Indiana Department of Education regarding the consequences for students in grade three who fail to pass the Indiana Reading Evaluation and Determination Assessment (IREAD-3).

Accordingly, if a student does not pass the IREAD-3 assessment either during the spring or summer assessment window and is not eligible for a *Good Cause Exemption*, the student shall be considered for retention based on the student's overall academic performance in all subject areas. The school shall make one (1) of the following determinations:

A. Retention is necessary based on the overall academic performance of the student in all subject areas. The student should be reported to the State as a 3rd grader in the subsequent school year, and the student should receive 3rd grade instruction in all subject areas.

B. Retention is not necessarily based on the overall academic performance of the student in all subject areas. The student should move onto the next grade level. However, the student will continue to receive 3rd grade reading instruction during the subsequent school year and must retake the IREAD-3 assessment until the student passes the assessment or qualifies for a *Good Cause Exemption*.

Assignments: The Student's Responsibility

The student is responsible for completing on time those tasks and assignments given by his/her teachers. Teachers will continue to stress the importance of this responsibility and expect all assignments to be completed on time. Parents can help by communicating with your child and the teacher. You can also provide a definite time and a quiet place for your child to work at home. Budgeting time is important.

Teachers will assign appropriate work when children are taken out of school for vacations not on the school calendar. Parents can check to see that the work is assigned, completed, and turned in quickly. Parents should check to make sure papers and newsletters are coming home regularly. Teachers will promptly notify the parent/guardian when a pattern of neglected or incomplete work arises.

Student Assessment

To measure student progress, students will be tested in accordance with State standards and Corporation policy. ([Policy C275](#))

Unless exempted, each student will be expected to pass the state-mandated ILEARN Test, IREAD-3, as well as end-of-course assessments that are required by the State Board of Education. Students only need to retake those parts of the test they do not pass. Make-up dates are scheduled, but unnecessary absences should be avoided.

Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

Classroom tests will be used to assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific objectives.

If necessary, intelligence tests, speech and language evaluations, individually administered achievement tests, and other special testing services are available to students needing these services.

The School will not violate the rights of consent and privacy of a student participating in any form of evaluation.

Dyslexia Screening and Intervention

The School Corporation shall provide dyslexia screening and intervention as required by State law. The following procedures shall be utilized in complying with State law.

Screening Process:

The Corporation's reading plan developed under 511 IAC 6.2-3.1 shall include indicators to screen for risk factors of dyslexia, using a screening tool approved by the Indiana Department of Education that screens for characteristics of dyslexia. The mandatory universal screener approved by the IDOE that includes indicators for dyslexia shall be reported in the Corporation's kindergarten through grade 2 reading plan. Until the IDOE approves the mandatory universal screener, the School Board directs the Superintendent to develop and utilize an appropriate screener. Students will be screened for risk factors annually in grades K, 1, and 2. Students in grades 3 and above may be tested if they exhibit struggles in phonemic awareness, phonics, decoding skills, sound-symbol recognition, rapid naming, or encoding skills.

If a student is determined to be at risk, or at some risk, for dyslexia after this screening, the Corporation shall administer a level I dyslexia screening of the student, as defined below. If the Corporation determines that a level II dyslexia screening should be administered, the Corporation may administer a level II dyslexia screening to the student, as defined below. A level II dyslexia screening shall be completed consistent with the Indiana dyslexia resource guide developed by the IDOE.

If a student is determined to be at risk, or at some risk, for dyslexia after this screening, the Corporation shall administer a level I dyslexia screening of the student, as defined below. If the Corporation determines that a level II dyslexia screening should be administered, the Corporation may administer a level II dyslexia screening to the student, as defined below. A level II dyslexia screening shall be completed consistent with the Indiana dyslexia resource guide developed by the IDOE.

The level I dyslexia screening and the level II dyslexia screening of a student must include the following components, as developmentally appropriate:

- A. Phonological and phonemic awareness.
- B. Sound symbol recognition.
- C. Alphabet knowledge.
- D. Decoding skills.
- E. Rapid naming skills.

F. Encoding skills.

If a universal screener, level I dyslexia screening, or level II dyslexia screening indicates that a student has characteristics of dyslexia, the Corporation shall use the response to intervention process to address the needs of the student.

Exceptions:

The Corporation is not required to administer a universal screener to a student if:

- A. the parent of the student objects to the screening; or
- B. the student is receiving intervention services for dyslexia.

Before the Corporation administers a level I dyslexia screening or level II dyslexia screening to a student, the parent of the student must consent to the screening.

Instructional Approaches:

If a student's level I dyslexia screening or level II dyslexia screening indicates the need for dyslexia intervention services for the student, the dyslexia intervention may include:

- A. explicit, direct instruction that is systematic, sequential, and cumulative and follows a logical plan of presenting the alphabetic principle that targets the specific needs of the student without presuming prior skills or knowledge of the student;
- B. individualized instruction to meet the specific needs of the student in a setting that uses intensive, highly concentrated instruction methods and materials that maximize student engagement;
- C. meaning based instruction directed at purposeful reading and writing with an emphasis on comprehension and composition;
- D. instruction that incorporates the simultaneous use of two or more sensory pathways during teacher presentations and student practice; and
- E. other instructional approaches as determined appropriate by the Corporation.

Title I Program and Services

Tipton Elementary School offers a school-wide Title I program, which means all students in grades K-5 are eligible to receive services through our Title I program and staff, if needed.

An annual meeting will be held early in the school year to inform, discuss, and explain the Title I program with parents. The meeting will include review and explanation of the identification process, the curriculum, the proficiency levels students are expected to achieve and maintain, and how progress monitoring will be shared with parents. Alternate meeting times will be offered to meet the needs of the parents such as in the morning or evening if the scheduled meeting occurs during the school day.

Parents will receive the requirements and the rights of the parents to be involved. They will be involved in an organized and timely manner to plan, review, and improve programs. Parents of participating students will receive information regarding the program. They may request regular meetings to discuss suggestions and participate in decisions (as appropriate) related to the education of their children and how the school will respond in a timely manner.

The school will develop jointly with parents a school-parent compact which outlines the responsibilities of the school staff, parents, and the student for academic improvement and the means by which the school and parents will build and develop a partnership to help children achieve the high standards established by our state and school corporation.

In order to build the schools' and parents' capacity for strong parental involvement, educators, with the assistance of parents, will learn the value and utility of contributions of parents and how to reach out to:

- communicate with, and work with parents as equal partners.
- implement and coordinate parent programs
- build ties between parents and the school.

The school will coordinate parent involvement programs and activities and conduct other activities that encourage and support parents in more fully participating in the education of their children. Materials on how parents can improve their child's achievement will be available through weekly/monthly newsletters, semester Title I Family Nights, and any reasonable needs requested by the parents of the Title I staff, school administrators, or the program administrator.

Information related to parent and school programs, meetings, and other activities are sent to parents of participating children in a format and to the extent practical, in a language the parents can understand. Timely responses will be given to parental questions, concerns, and recommendations. All written comments indicating parents' dissatisfaction with the Tipton

Elementary Title I program will be collected and submitted along with the Title I Application for Grant to the Indiana Division of Compensatory Education.

Student Records and Student Directories

Educational records and student directories are governed by federal and state laws and regulations. Student information is confidential and may be disclosed only as provided by School Board policy #400.18. A parent or eligible student may object to disclosure of any of the categories of directory information by submitting the proper form to the principal no later than fourteen (14) calendar days from the enrollment date.

As required by Federal law, the Corporation will routinely monitor the online behavior of its students.

Failure to abide by all of the terms of the agreement may lead to termination of the student's computer account and possible disciplinary action up to and including suspension from School or referral to law enforcement authorities. Wireless Communication Device Policy

Generally, no student may use a wireless communication device during instructional time, pursuant to Indiana law. "Wireless communication device" means any portable wireless device that has the capability to provide voice, messaging, or other data communication between two or more parties, including a cellular telephone, tablet computer, laptop computer, or gaming device.

"Instructional time" means time in which students are participating in an approved course, a curriculum, or an educationally related activity under the direction of a teacher, including a reasonable amount of passing time between classes. Instructional time does not include lunch or recess.

A student is permitted to use a wireless communication device during instructional time only in the following circumstances:

1. As specifically permitted by a teacher for education purposes. Such permission may be given for each episode of use or as an ongoing grant of permission for regularly occurring use.
2. In the event of an emergency. An emergency for this purpose includes the use of a wireless communication device during instructional time to make an otherwise lawful alert or call for assistance in response to a condition or situation causing an immediate risk to health, life, or property . It does not include the use of a wireless communication

device in an unlawful act, nor does it include the use of a wireless communication device in a manner that impairs, obstructs, or disrupts emergency response or assistance by the Corporation, health professionals, government officials or other authorized persons.

3. To manage a student's health care. Management of health care for this purpose includes action that cannot be reasonably conducted during non instructional time facilitating the maintenance, diagnosis, or treatment of an individual's physical or mental condition. The corporation may require parent permission for unemancipated minors and medical or other documentation of the necessity of the use to determine whether such use fits into this exception.

4. As permitted by the student's Individualized Education Program (IEP) or Section 504 Plan.

Violation of this policy may result in forfeiture of technological privileges and other discipline as provided in the Student Code of Conduct.

Students are personally and solely responsible for the care and security of wireless communication devices brought onto Corporation property. The Corporation assumes no responsibility for theft, loss, damage to, misuse, or unauthorized use of a wireless communication device brought onto its property.

This Policy should be followed in tandem with TECHNOLOGY RESOURCES AND OTHER ELECTRONIC EQUIPMENT I.C. 20-26-5-40.7

Recordings in School/Dissemination Policy

Video and/or audio recordings intended and actually used for instructional purposes (e.g., taking notes, recording classroom lectures, presentations) will be permitted on school property, as approved by the classroom teacher or the building principal. However, the use of video and/or audio recordings to engage in non-education-related activities during the instructional day is expressly prohibited. Students shall not send, post, or possess electronic messages or videos that are considered abusive, obscene, threatening, harassing, illegal, or that causes a substantial disruption to the educational environment either on or off school property.

No Warranties

The school corporation makes no warranties of any kind, whether expressed or implied, for the service it is providing. The school corporation will not be responsible for any damages you suffer. Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log-on to the Internet/network as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

Vandalism

Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy the networks, software, hardware, and data of the school corporation, another user, the Internet, or any other network. This prohibits degrading or disrupting equipment, software, or system performance. It also includes, but is not limited to, the uploading or creation of computer viruses. Users are responsible for any and all costs related to the repair or restoration of any damage done through vandalism. The school corporation will use the legal system to seek restitution.

Charges and Fees

The school corporation assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Artificial Intelligence (AI)

To enhance learning experiences and streamline educational processes, Tipton Elementary School may utilize AI programs for tasks such as grading, feedback generation, and personalized learning. Student privacy and confidentiality remain our utmost priority throughout these processes. Students are reminded that using AI tools should complement their learning journey and not serve as a means to evade their academic responsibilities or ethical obligations. Utilizing artificial intelligence to produce content and representing it as original work will be considered plagiarism and may be disciplined accordingly.

SECTION III - STUDENT ACTIVITIES / SCHOOL SPONSORED CLUBS AND ACTIVITIES

The School has many student groups that are authorized by the School. It is the Corporation's policy that only authorized groups are those approved by the Board of School Trustees and sponsored by a staff member.

Authorized groups at TES include:

K- Kids, 5th Grade Intramurals, 4th & 5th Grade Choirs (including Circle the State Choir and Honor Choir) and Academic Teams.

Extracurricular activities do not reflect the School's curriculum, but are made available to students to allow them to pursue additional worthwhile activities such as recreational sports, music, and the like. All students are permitted to participate in the activities of their choosing, as long as they meet the eligibility requirements.

SECTION IV - STUDENT CONDUCT

Attendance (Policy C175)

One of the cornerstones of a successful education is the development of regular school attendance patterns. Every absence is a day lost in the classroom that can never be retrieved. While make-up assignments may be completed, the dialogue between the teacher and the students can never be effectively duplicated.

The State of Indiana places education at the top of its priorities, and the Indiana Compulsory Attendance Law requires students to attend school regularly in accordance with Indiana Code IC 20-33-2-27. Tipton Community School Corporation will use every reasonable measure to assist students in developing positive attendance habits. While the responsibility for a student being present in school rests with the student and their parents/guardians, the school will assist in this

responsibility. This cooperation between the student, parents/guardians, and the school is essential in providing the fundamental foundation of regular school attendance.

Kindergarten Families - I.C. 20-8.1-3-17 Kindergarten Entrance Law

Even though it is not mandatory that parents enroll their child in kindergarten, once a child is enrolled in kindergarten, the child is required to adhere to all state statutes, including attendance guidelines.

Tipton Community School Corporation will no longer differentiate between excused or unexcused absences. Regardless of reason all absences will be counted the same with the exception of those absences the State of Indiana declares exempt.

Reporting Absences

All absences should be reported to the office via the telephone, email, and/or a note from parents/guardians. To report any absence(s) for part of a day, for an entire day, or for several days, the parent/guardian must call (765-675-7397) or e-mail (jcox@tsc.k12.in.us or dkuhn@tsc.k12.in.us). The parent/guardian should leave a message stating who is absent and what grade the student is in, who the caller is, and telling why the student is absent from school. Parents/guardians should call before 9:00 a.m. The school assumes that a student who is unable to attend school will also be unable to work or attend school functions later the same day.

Students are responsible for all school work missed during an absence from school. TES utilizes Google Classroom for online assignments. Assignments that are not online may be picked up between 2:30 P.M. and 4 P.M, upon parent/guardian request.

A phone call will be made by office staff to parents who do not report student absences.

Progressive Absence Process: Attendance Conferences

Absences will no longer be recorded as excused or unexcused. All absences will be counted the same except for the days exempted by Indiana Code IC 20-33-2-(14-17.7). At five absences, parents/guardians will be notified via phone, email, or attendance letter.

On the 9th day of absence, building administration will contact the family to hold an Attendance Conference. The purpose of this conference is to review the circumstances surrounding the absences and support students and families in maintaining positive attendance habits. A variety of supports can be provided to families and students as part of Indiana Code 20-33-2 Chapter 2: Compulsory School Attendance.

Failure to attend an Attendance Conference may result in disciplinary action, up to and including expulsion. Furthermore, failure to comply with an outlined Attendance Behavior Plan at 15 days will result in disciplinary action, up to and including expulsion. Additionally, the Tipton County Prosecutor, Probation, and DCS offices may be notified if students are in violation of the school's

attendance policy pursuant to Indiana Code IC 20-33-2-27 (It is unlawful for a parent to fail to ensure that the parent's child attends school as required under this chapter).

Exempt Absences

Indiana Code IC 20-33-2-(14-17.7) allows school districts to exempt absences for the following reasons:

- documented absence
- attending activities under the sponsorship of the school
- death in the family/attendance at a family funeral
- religious observances (documentation required)
- witness in judicial proceeding
- educationally related non-classroom activity
- exhibiting or participating in state fair

Tardy

Any student arriving at school after the 8:10 a.m. bell will be considered tardy. Being punctual to school is very important to each child's educational well-being. Excessive tardies will be handled in the same manner as excessive absences.

Truancy

A student is truant when neither the parent provides or school officials know the reason for a student's absence at the time of the absence or the "willful refusal to attend school in defiance of parental authority" (Indiana Court of Appeals: Simmons v. State of Indiana). Five or more minutes late to class; leaving or not attending class, other assigned areas or school without permission is an example of truancy. Truancy is cumulative for the whole year. If a student is truant, work will not be credited in the classes where the truancy occurred. Students may receive consequences for being truant to school.

Becoming Ill at School

When a student becomes ill at school, he/she should report to the office. Any phone call related to an illness should be done in the office. Students are not to call parents from a classroom or on a cell phone to report an illness to a parent. Students should never leave due to an illness without notifying the office.

Makeup/Incomplete/Late/Missing Work

Students are responsible for making up any schoolwork missed when absent. Students have as many days to make up for the work as they are absent. For example, if one is absent for two days, then the student has two days to make up the work. If absent for more than one day, a student or parent may call the office and ask for schoolwork to be sent home. Calls need to be received by 9:00 A.M. and books may be picked-up in the office after 2:45 P.M.

Students are expected to complete assignments by the due date given by the teacher. However, students may make up any incomplete, missing, or late assignments at any time within the grading period without a grade penalty. Once the grading period has ended, any work assigned within that grading period can not be made up. Teachers will promptly notify the parent/guardian when a pattern of neglected or incomplete work arises.

Field/Study Trips

Field trips are an excellent tool to enhance classroom instruction and provide students with opportunities otherwise unavailable through the regular school setting. A signed parent/guardian permission form is required for a student to participate in a field trip. It is the responsibility of the student to make sure that this form is completed and returned to the instructor. No student will be permitted to participate in a field trip without the proper form on file at school.

All regular school rules are in effect during field trips and instructors may impose more stringent rules depending on the circumstances of the trip. Violation of these rules could mean an exclusion of the violating student from future field trips in addition to other disciplinary actions taken for the misconduct.

General Rules of Conduct

Students are encouraged to demonstrate PRIDE (Personal Best, Respect, Integrity, Dependability, Enthusiasm) throughout the school. Students who violate the expectations of the school, the classroom, or the student misconduct and/or student disobedience, as defined by the Indiana Code, can expect disciplinary measures to be taken. These measures may include, but are not limited to, the following:

- Parent phone calls
- Parent/teacher conference
- Student/administrator conference
- Parent/administrator conference
- Restricting the student from recess, eating with classmates, or other special activities
- After school detention
- In-school suspension
- Out-of-school suspension
- Parent/student responsible for payment of damaged property

PBIS - PRIDE

PBIS stands for Positive Behavior Interventions and Supports. This program is designed to reward or highlight behavior that students are doing right. Teachers, administrators, and staff try to catch students acting in a certain way. Typically, in PBIS there are 3-5 traits that schools want to exhibit, and then an acronym is created to highlight those traits. The Acronym that Tipton Community Schools Corporation has chosen to highlight is PRIDE. P=Pride, R=Respect, I= Integrity, D=Dependability, and E=Enthusiasm. These characteristics are highlighted in certain areas of the

buildings. These areas are: classrooms, hallways, restrooms/locker rooms, and cafeteria. Students are given PRIDE tickets for performing one of the Characteristics of PRIDE. Students' pride tickets are then put in a drawing for weekly prizes. The PRIDE program is implemented throughout the corporation. Award programs vary from school to school.

Students can expect their rights will be protected and that they will be treated with fairness and respect. Likewise, students are expected to respect the rights of their fellow students and the staff. Students are expected to follow staff members' directions and obey all school rules. Disciplinary procedures are designed to ensure due process (notice and a fair hearing) before a student is disciplined because of his/her behavior.

Our schools have no tolerance for any statements or behaviors of a threatening nature, any behaviors by individuals that might pose a threat to the well-being of students, staff, and others, and weapon possession. TCSC has an obligation to keep our schools safe and take any threat seriously.

Seclusion and Restraint (Policy C400)

As a part of the emergency procedures in place in our schools, no student will be restrained and/or placed in seclusion by school staff unless the student's behavior poses an imminent risk of injury to him/herself or others. However, significant violations of the law including assaults on students and staff will be reported to the police. As soon as possible after any such use of restraint and/or seclusion, the parents or guardian will be informed when any of these actions have occurred and will be provided with a detailed account of the incident including the circumstances that led to the use of restraint and or seclusion

Bullying/Harassment (Policy C200)

Indiana Code 20-33-8 defines bullying or harassment as overt, repeated acts or gestures, including:

student with the intent to harass, ridicule, humiliate, intimidate, or harm another student. Such conduct is detrimental to the educational process and is prohibited at Tipton Elementary School.

Acts of bullying or harassment shall be reported to the elementary school administration. The administration will promptly investigate the allegation and communicate with the students and their parents. Students determined to have bullied will face disciplinary action up to and including suspension and expulsion by the Building Administrator who will serve as the anti-harassment complaint coordinator. The administration also has the latitude to include an educational component as part of the disposition.

It is the policy of the Tipton Community School Corporation to maintain a learning and working environment that is free from sexual harassment. If there is a complaint, a report should be made to the building principal and an investigation will be held.

Gang Activity Policy

Tipton Community School Corporation has adopted this Criminal Gang Policy pursuant to state law in order to address the detrimental effects of criminal gangs and criminal gang activity on its students, demonstrate its commitment to preventing and reducing criminal gang membership and eliminating criminal gang activity, educate students, employees, and parents about criminal gangs and criminal gang activity, and comply with state and federal laws and regulations.

TCSC prohibits criminal gang activity and similar destructive or illegal group behavior on school property, on buses owned by the corporation or used to transport corporation students, and at school-sponsored functions. TCSC prohibits reprisal or retaliation against individuals who report criminal gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about an act of criminal gang activity and similar destructive or illegal group behavior.

Criminal gang, as used in this policy, means a group with at least three (3) members that specifically, either promotes, sponsors, or assists in, or participates in, or require as a condition of membership or continued membership in the commission of a felony or an act that would be a felony if committed by an adult or the offense of battery (I.C. 35-42-2-1).

Vaping/E-Cigarette Policy

A growing concern in schools across the country is the smoking of vapes and the use of vaping products. Because of this growing concern, TCSC is taking action in order to protect the health of its students. The following list explains the steps that will be taken when a student is vaping in school or on school grounds or if a student has any vape product at school or on school grounds. This applies to both the school day and extracurricular activities.

- 1st Offense: The student will receive a full day of ISS where that student will be required to take a course on the effects of vaping.
- 2nd Offense: The student will receive three days of OSS. The student will also receive a ticket from the SRO.
- 3rd Offense: The student will receive 10 days of OSS pending expulsion.

It should be noted that a vape product using marijuana or any other illegal drug will be treated as if that student has brought illegal drugs onto the school campus. Tipton Community School Corporation makes use of vape sensors throughout the building; which may prompt a student to be called to the office for investigation. (Any product containing cannabinoids including, but not limited to CBD, THC, Delta 8, ETC. will be considered illegal drugs and punished accordingly).

Alcohol and Drugs (including over-the-counter drugs)

Consumption or ingestion, under the influence, using, possessing, providing or selling of these substances, any drug paraphernalia, items used to store, process, deliver or consume these substances or representing other items to be these substances will not be tolerated at school or within 1000 feet of school. Violations may result in the 10 days of out-of school suspension, recommendation for expulsion, parent notification, and the authorities notified.

1st offense - 10 days out-of-school suspension, recommendation for expulsion, parent notified by phone and by suspension notice and authorities notified.

If there is reasonable suspicion of student drug use, local authorities will be called to test the student.

Suspension Procedures

When a principal (or designee) determines that a student should be suspended, the following procedures will be followed:

A meeting will be held prior to the suspension of any student. At this meeting the student will be entitled to:

2. If the student denies the charges, a summary of the evidence against the student will be presented; and the student will be provided an opportunity to explain their conduct.
3. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.

Following the suspension, the parent or guardian of a suspended student will be notified in writing. The notification will include the dates of the suspension; describe the student's misconduct, and the action taken by administration. A suspended student will be permitted to make up all homework and class work. It is the student's responsibility to make arrangements for make-up work.

Expulsion Procedures

Failure to request and to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.
3. The notice of the right to an expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the reasons for the expulsion and the procedure for requesting the meeting.
4. At the expulsion meeting, the principal (or designee) will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student, and to present evidence to support the student's position. An attorney may not represent the student at the expulsion meeting, but the attorney may be available for consultation outside the meeting room during the course of the meeting.
5. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent.

Student Dress and Appearance

Students are expected to wear their clothing and to manage their appearance in such a manner that does not disrupt the educational setting, interfere with health or safety, or promote vulgarity.

The administration reserves the right to regulate appearance and dress. Since there will be many functions and occupational obligations later in life dictating appropriate dress and appearance,

neatness, cleanliness, good grooming, appropriate dress will be considered an important element in their education. Students have considerable choice in individual style of dress and appearance.

The following are guidelines for students:

SECTION V - TRANSPORTATION

Bus Safety and Rules for Bus Riders

The corporation's Ride Guide, a booklet outlining various bus rules and procedures, is passed out to bus riders at the beginning of the school year. It is also available at the corporation's web site. Bus transportation is provided for the students. Your bus driver will direct you and will be able to answer any questions about your bus schedule. You should display good citizenship at all times in a school-supervised situation which includes the school bus. In case the bus is late arriving at school, students should report to the office. **School bus drivers are to have control of all school children going and returning between the homes of the children and the school building.** The driver shall keep order, maintain discipline among the children while on the bus or along the route, treat all the children in a civil manner, see that no child is imposed upon or mistreated

while in his/her charge. School bus drivers shall assure that the following regulations are observed by all pupil passengers.

- a. Each pupil shall be seated immediately upon entering the bus in the place assigned by the driver.
- b. No pupil shall stand or move from place to place during the trip.
- c. Loud, boisterous, or profane language or indecent conduct shall not be tolerated.
- d. Pupils shall not be allowed to tease, scuffle, trip, hold, hit, or use their hands or feet or body in any other objectionable manner.
- e. No windows or doors will be opened or closed except by permission of the driver.
- f. No pupil should enter or leave the bus until it has come to a full stop and the door has been opened by the driver.
- g. Students will not be permitted to eat or drink on buses.
- h. Upon recommendation of the bus driver, school authorities will deny for more than one day the privilege of riding on the bus to any pupil who refuses to conduct himself or herself in a respectable manner. Drivers may deny riding privilege to a student for one day following notifications to the parent/guardian.

Bicycles

Students in second, third, fourth, and fifth grades may ride their bikes to school on good weather days. Students should park the bikes in the bicycle racks provided at each building. Our concern will always be for the safety of the child. With this in mind it is recommended that this activity be for grades 2-5 only. Bicycle riders will be dismissed at 2:55 with the car riders. Bicyclists will stay on the sidewalk and must cross the road by the park with the crossing guard. A child who disregards the bicycle rules and safety procedures may be asked to quit riding his/her bicycle to school. A note from parents giving their children permission to ride bicycles must be sent to school at the start of the year.
