

# A Message from your Student Nutrition team!

We are so happy to have all our open positions filled with caring team members that are driven each day to provide health and tasty meals to our students (and adults!). We continue to search for substitute employees that will be available in times of need but know that our hard-working staff will continue to put in the time and effort needed for a successful food service program.

## BOARD BRIEF

September 2025

## Menu Item Highlight

We added a new menu item in August, our Old-Fashioned Patty Melt! The MS and HS kids seem to have enjoyed it as we sold quite a lot on the day we ran it. We plan to have it on the cycle menu and look forward to seeing how the receptivity is trending.

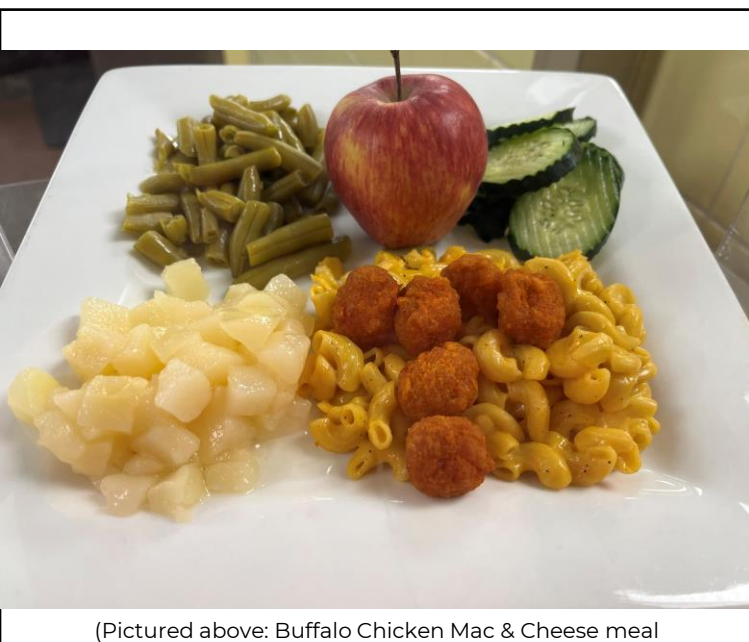

## Limited Time Offer

The Limited Time Offer coming in  
**September**  
 is the  
**Fajita Chicken Flatbread**  
 with  
 Refried Beans, Roasted Fajita Chicken,  
 Pepper and Onions, and Cheddar Cheese.

Join us on September 17<sup>th</sup> to give it a try!

## News to Know

We are so proud of our employees, and the hard work they do each day! We have had multiple staff, teachers, and administrators comment on how smooth things are going for the first month of the year!  
 Well Done!

## Staffing and Equipment

We are happy to have each open kitchen position now filled and we continue to search for staffers that are wanting to become a substitute employee.

Various kitchen repairs have been completed, the new floor looks amazing, and the wall painting should be completed during the coming break. We reported a drain issue on 8/27/25 to Dan and he already has the corrective action in play and staff coming in to assess and fix the issue.
