Indiana law states that no person may possess a firearm or imitation firearm in or on school property or on a school bus, unless specific exceptions apply. Indiana law states that no person may possess a knife intended to be used as a weapon in or on school property or on a school bus.

A student or employee who has reason to believe that a person is violating the law or this Policy shall immediately report the alleged violation to an administrator or law enforcement officer. The Tipton Community School Corporation ("Corporation") will immediately report any suspected violation of this law to law enforcement, as a violation of this law constitutes a criminal offense for adults and an act of delinquency for juveniles. The Corporation may take any necessary steps to exclude the person from school property or events for safety concerns.

No employee in the scope of their employment may possess a firearm, imitation firearm, ammunition, or other dangerous weapon in or on school property, in or on property that is being used by a school for a school function, on a school bus, or in a motor vehicle that is owned, leased, or controlled by the Corporation. No student may possess, store, make, or use a weapon, in or on property that is being used by a school for a school function, or on a school bus.

The Superintendent will report any student who violates this policy to the student's parents or guardians and to the law enforcement agency having jurisdiction over the property where the offense occurs. The student also may be subject to disciplinary action, up to and including expulsion.

This prohibition does not apply to weapons under the control of law enforcement personnel, as well as a School Resource Officer or other school security personnel who is not a law enforcement officer, but who may legally possess a firearm.

This prohibition does not apply to a firearm that is locked in an employee or visitor's trunk, kept in the glove compartment of the person's locked vehicle, or stored out of plain sight in the person's locked vehicle. This exception does not apply to students unless it is a high school student who is a member of a shooting sports team and the principal has approved the student keeping a firearm concealed in the student's motor vehicle on days the student is competing or practicing as a member of a shooting sports team.
