

STUDENT ATTENDANCE, ACADEMIC ENGAGEMENT, AND TRUANCY PREVENTION POLICY

The Tipton Community School Corporation School Board (“Board”) believes that presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel. Students are bound by the requirements of Indiana’s compulsory attendance law. Attendance shall mean to be physically present in a school or at another location where the school’s educational program is being conducted during regular school hours on a day in which the educational program in which the student is enrolled is being offered (including a mandatory video conference, phone conference, or other virtual environment during e-learning days or as part of a continuous learning program). Academic engagement is the quality of students’ participation or connection with the schooling endeavor and hence with activities, values, people, goals, and places that comprise it, and encompasses the academic, behavioral, and emotional enrichment of each student.

Attendance shall be required of all Corporation students, except those exempted under other provisions of State law, during the days and hours that the school is in session. Daily attendance will be appropriately recorded, and reports will be submitted to the IDOE in accordance with IDOE guidance and formatting/submission requirements.

Content may be delivered onsite in person or off-site during instructional days in the academic school year. If the Corporation conducts more than three (3) virtual days when at least 50% of the Corporation’s in-person enrolled students attend virtually or online, at least 50% of instructional time on any subsequent virtual days will consist of teacher directed synchronous instruction. Where instruction is less than 100% teacher directed synchronous instruction, the remainder of instruction will be asynchronous.

Exceptions to compulsory attendance are established in IC 20-33-2 and shall be recognized by the Corporation. For any of these exceptions, a student shall be recorded as excused absent from school.

The Superintendent shall require, from the parent of each student or from an adult student who has been absent for any reason, a written statement of the cause for such absence. The Board reserves the right to verify such statements and to investigate the cause of each:

- A. prolonged absence;
- B. absence of more than three (3) days duration;
- C. repeated unexplained absence and tardiness.

At a minimum, in accordance with Indiana law, the Board considers the following as exceptions to compulsory attendance, and may not be recorded as absences or penalized by the school in any manner:

- A. Service as a page for or as an honoree of the general assembly (not recorded as absence)

- B. Serve on a precinct election board or as a helper to a political candidate or to a political party on the date of each general, city, or town, special, and primary election at which the student works

G. Providing Education for Students with Long-Term Medical Conditions:

A long-term provider note is necessary when a student has been injured or suffers from an illness and is anticipated to be absent for a minimum of 20 instructional days over the course of the school year. The school will provide instruction to students under these circumstances if the parent provides documentation from a licensed healthcare provider with prescriptive authority indicating the student will meet the 20-day criteria due to a medical condition. This long-term medical documentation provides the information necessary for a school to create a plan for meeting the student's educational needs during these absences. Further consultation with the licensed healthcare provider may be necessary to determine the student's ability to engage in educational activities and instruction during these absences. If the student has a Section 504 Plan relating to the absences or the condition causing the absences, the plan under this policy must be consistent with the 504 Plan. If the student is also an eligible student with a disability, the student's Individualized Education Program (IEP) case conference committee will determine services during these absences in accordance with the law.

An unexcused absence is any absence not covered under the definition of excused absence or an exception to compulsory attendance. An out-of-school suspension shall not be considered an unexcused absence.

A habitually truant student may not participate in extra-curricular or cocurricular activities, unless:

- 1) at the Corporation's discretion, in accordance with a plan that meets the requirements of the Student Attendance Plan below and signed by the student and a parent, provided such participation is permitted by the association governing the activity (if applicable);
