

A Message from your Student Nutrition team!

Our normal school year has closed, and we are so excited to prepare for the coming year. We wanted to say a big THANKS to all of our staff as well as to the help we have received when staffing is short. Special shout-out to Mr. Ayars for always being there with a smile when we could use the assistance!

BOARD BRIEF

June 2026

Menu Item Highlight

Our students enjoyed French Toast and Sausage patties alongside Hash Brown Rounds and various fruits/veggies.

Summer Update

Summer School has begun! We have started serving the academic summer school students as well as anyone under the age of 18 years that is interested in joining us on-site!

News to Know

We have completed the pricing guidance from the DOE PLE (Paid Lunch Equity) tool, and are presenting the suggested weighted price increase to your packet.

Staffing and Equipment

No staffing shortages at this time other than some scheduled and non-scheduled medical issues.

We continue to search for people willing to fill our open substitute positions.

Repairs have been completed for outstanding equipment items from the prior report.
