Hello Dawn,

Here is a request for an overnight team camp for boys basketball this summer.

Tipton basketball is looking to attend the NXT Level Basketball Team Camp on June 22-24. It is an overnight camp on the campus of Saint Francis University in Fort Wayne. This is a great opportunity for our team to grow closer together through 3 days of competing with schools from all over the state of Indiana and surrounding states. It is a camp focused on improving as a team and playing lots of games to test our team's endurance, mental toughness, and overall connectedness. This will be the 2nd year we have attended this camp under my tenure and I is the camp the team has attended for the last 6 years.

Thank you, let me know if you need anything else from me!
