Colin Quin, A.D.

Dear TCSC Board,

We have officially begun fall sports as of August 3rd! All of High School is in their respected seasons, we will start Middle School in their respected seasons the week of August 10th to allow them to get into the flow of school first!

As I am sure you are well aware, we are one athletic department now. With that being said, we will start selling all sport passes for all home events 6-12 minus tournaments and IHSAA events. Those prices are as follows; \$50 student pass, \$100 Senior Pass, \$150 Adult Pass & \$400 for a Family Pass which includes 2 adult passes and kids in the home. Our hope is that this encourages everyone to attend our home events and create a great home environment for our student athletes!

We have had some expenses come into the athletic department at the high school level and we are hoping to recoup and grow our account to get back to a healthy place with sponsorships and donation. If you know of anyone looking for that opportunity please have them reach out to me at the high school!

We would like to thank the corporation for the updates to the gym floors in the high school, Auxiliary Gym & Middle School gym! We have got nothing but compliments on the updates, including the new paint to the Auxiliary Gym!

As always, if you need anything please do not hesitate to reach out and I am more than happy to help! Thanks for all you do.
