Colin Quin, A.D.

Dear TCSC Board,

Please see below for numbers of athletes this fall;

TMS: 7th Football – 19, 8th Football – 29, 7th Volleyball – 12, 8th Volleyball – 12, X.C. – 9, Cheer – 16.

THS: Cheer – 23, X.C. – 18, Football – 47, G. Golf – 10, B. Soccer – 20, G. Soccer – 21, B. Tennis – 6, Volleyball – 26.

We have named 6 student athletes “Athlete of the Week” via our partnership with Megan Zabst at American Family Insurance. We thank her for that! Our X.C. athletes set a course record in the male and female races at Sheridan last week as well as receiving an Exemplary Report from the attending IHSAA official. This is their second outstanding write up as a team this year, kudos to Coach Worthington and Coach Rushton for leading the way. Boys soccer has also received an Exemplary Report this year as well as being undefeated up to this point. Girls soccer is also off to a great start; G. Golf has had strong showings as has B. Tennis even being down a player from a full squad.

Fall is extremely busy, so if you want to see our kids in action, chances are you can show up on campus on any given day and see one if not more teams competing. Please refer to Eventlink for the most up to date schedules for all athletic teams. We have wonderful facilities, right now, we need to focus on getting Wi-Fi access at the Baseball and Softball fields so we can utilize the \$17,200 Hudl cameras we purchased for our athletes to use. We have been very blessed to receive a few sponsors for that subscription in the community. If you ever watch a livestream, you will see their logos, thank you to them! We are conducting softball interviews this week, golf interviews the following week and then we will have all of our coaching spots filled. We still are always looking for people to announce, run the scoreboard, help with books, etc. at many of our events. If you are willing, please reach out to the athletic department and we will see what openings we have!

As far as our Financial situation is concerned, the middle school account is very healthy, the high school account is catching up as we had some unexpected expenditures last year. Most of revenue comes from ticket sales, but we have been blessed to receive a few sponsorships this year directly to the athletic department to help with transportation costs and player needs. Thank you to those sponsors and individuals who attend our games! Our athletic foundation that was started last year has been pretty steady in terms of money in and out. There are a few programs that have moved into the account to keep everything running out of one location and seems to be working well. We are still in the process of finding time to get a fundraiser together and figuring out what that might look like for us.

We like to operate the Athletic Department as an open door, so please feel free to reach out to Sam Phillips or myself and we will try our best to answer your questions and accommodate anything you may have. Thank you Board for your continued support of athletics at TCSC.

All the best, Colin Quin.
