

A Message from your Student Nutrition team!

We are fired-up and ready-to-go for our 2026 – 2027 SY. Our staff completed many required trainings, ensured equipment was in good repair, completed our full cleaning pre-open checklist, and it showed in how smooth the first 2 weeks (and the rest of August went). We also received a health inspection already this year and, as normal, had great remarks.

I am so proud of our employees!!

Staffing and Equipment

We have an open position in the MS that we are trying to find someone that would be interested in joining us.

We continue to search for people willing to fill our open substitute positions.

Repairs have been completed for any outstanding equipment items from the prior report.
