

A Message from your Student Nutrition team!

High praise for our THS staff that passed their Steritech audit with a GOLD score! Steritech is a 3rd party auditing service that provide very challenging audits of our sites to ensure that we are upholding our high standards for food safety, record keeping, staff safety, sanitation, and equipment safety. This is a very challenging auditing company and we have, yet again, scored a Gold with high-praise from the auditor. WELL DONE!!

Donation Account September

Total Negative Debt as of 9/31 - \$6,331.74
Number of Students with >\$30.00 Debt - 68
Number of Students Assisted in August - 95
Donated Money Given Out in August - \$2,723.90
Total Number of Student in Debt as of 8/31 - 291
Donation Account Balance as of 9/1 - \$6,433.34

The outpouring of donations from the community each year is staggering, and uplifting. We are so proud of our community benefactors and all they give toward ensuring every student receives the assistance they need. THANK YOU!

Staffing and Equipment

We have 2 open positions in the MS that we are trying to find someone that would be interested in joining us.

We continue to search for people willing to fill our open substitute positions, as we have none.

Repairs have been completed for any outstanding equipment items from the prior report.
