Mr. Scott Jaworski, Superintendent
Members of the Board of School Trustees
Tipton Community School Corporation
1051 S. Main Street
Tipton, IN 46072

Dear Mr. Jaworski and Members of the Board:

Please accept this letter as formal notice of my resignation as Assistant Superintendent of Tipton Community School Corporation, effective November 13, 2026, which will be my final day of employment. I have accepted a new position as Business Development Manager for RLTurner.

After 35 years in public education, this transition carries both excitement and deep appreciation for the people and experiences that have shaped my career. Serving Tipton as superintendent and, most recently, assistant superintendent has been among the most meaningful experiences of my professional life.

Following my retirement as superintendent in June 2026, I welcomed the opportunity to remain with the corporation to support the leadership transition and assist with preparations for the November operating referendum. I am grateful to have continued working alongside Superintendent Jaworski and the board during this important period for our schools.

I am proud of what we have accomplished together. Our work to strengthen professional learning communities, develop leadership capacity, and expand opportunities for students has helped advance student achievement. We have also improved facilities and built community partnerships that will benefit students for years to come. These accomplishments reflect the dedication of our staff and the support of families and the Tipton community.

My new role with RLTurner offers an opportunity to apply my leadership experience and commitment to building relationships in a new setting. As I take this next step, I will carry with me the friendships and lessons from my years at Tipton.

During my remaining time, I will work with Superintendent Jaworski to organize ongoing responsibilities and support a smooth transition. Thank you for the trust and opportunity to serve this school corporation. I will remain a strong supporter of Tipton Community School Corporation and wish our students, staff, and leadership continued success.

Sincerely,

Ryan J Glaze

Dear Mr. Jaworski:

After 40 years in education, I am writing to officially share my decision to retire from my teaching position at Tipton Elementary School at the end of the 2026–2027 school year.

Teaching has been such an important part of my life, and reaching this point brings many emotions. Over the past four decades, I have had the opportunity to teach and care for countless students, work alongside wonderful colleagues, and build relationships with families that I will always value. I am thankful for the many memories and experiences that have shaped my career and for the privilege of spending so many years doing work that has meant so much to me.

As I complete my final year in the classroom, I intend to remain fully invested in my students and in finishing my career with the same commitment and care I have always given to teaching.

Since I will be retiring at the conclusion of this school year, I would also like to request that I be excused from the long observation requirement for the 2026–2027 school year, if allowable.

I would also like to formally request consideration for the **Voluntary Separation Pay stipend** provided for in the 2026–2027 agreement between the Tipton Community School Corporation School Board and the Tipton Education Association, as I believe I meet the qualifications for this benefit.

I am sincerely thankful for my years in education and for the opportunity to have been part of the Tipton Community School Corporation. As I begin this final chapter of my teaching career, I look forward to making this year a meaningful one for my students and ending these 40 years with many wonderful memories.

Sincerely,

Shari Cottingham

Dear Mr. Jaworski:

Please accept this letter as formal notification of my intention to retire from my teaching position at Tipton Elementary School, following the last working day in accordance with the school calendar.

After careful consideration, I have made the decision to retire from teaching. I am sincerely grateful for the many opportunities I have had throughout my career to work with students, families, colleagues, and the Tipton Community School Corporation. It has been a privilege to serve the students and contribute to the school community over the years.

Because my observations will not contribute to decisions regarding my employment for the following school year, I would also like to respectfully request to opt out of my long observations for the 2026–2027 school year.

I am committed to continuing to teach my students with the same passion, dedication, and persistence that I have brought to my classroom throughout my years of teaching.

In addition, I believe that I qualify for the Voluntary Separation Pay stipend as outlined in the 2026–2027 contract between the Tipton Community School Corporation School Board and the Tipton Education Association. I respectfully request consideration for this benefit as part of my retirement.

Thank you for your support and understanding, and for the opportunity to serve the students and families of Tipton Community School Corporation. I will always be grateful for the relationships and experiences I enjoyed throughout my teaching career.

Sincerely,

Dear Susie and Adam, and whom it may concern,

I wanted to let you know that I've made the difficult decision to put in my two week Notice. My last day would be 10/16/2026.

I know I've only been here for about 2 months and I honestly feel bad having to make this decision so soon. I'm very grateful for the opportunity and how welcoming everyone has been. I've enjoyed getting to know everyone and being a part of the team for this short time.

Unfortunately due to some family/personal^{reasons} and my current schedule outside of work, I've realized I'm not able to give my all and make the job work with everything I have going on right now. This was not an easy decision and I truly appreciate your understanding.

I'm more than willing to do everything I can over the next two weeks to help make the transition smooth as possible. Thank you again for the opportunity. I really appreciate it and wish you and everyone there nothing but the best.

Thank You,

Dear Lady Devils Basketball Staff,

After careful consideration, I have made the difficult decision to resign from my position as JV Head Coach for Lady Devils Basketball due to personal reasons.

I want to be clear that this decision has nothing to do with the coaching staff, players, or the organization. I am incredibly grateful for the opportunity to be part of this program and for the relationships and memories I've gained along the way.

While I am stepping away from my coaching position, I fully intend to continue supporting Lady Devils Basketball and volunteering when my time allows.

Thank you for the opportunity to be part of this program. I will always be proud to support the Lady Devils.
